# Beth-El Hospital

COLORADO SPRINGS, COLORADO

*Is the only Protestant Hospital in Colorado Springs and the only Methodist Hospital in Colorado Conference.*

The facilities of Beth-El Hospital are planned to meet the wishes of everyone. Each department—maternity, medical, surgical—has its own supervising nurse who is a specialist in her work, and who is aided by a competent and ample corps of nurses. Making use of Beth-El during illness of any kind not only aids the patient to better recovery, but at the same time saves worry and confusion among the remaining members of the household.

The situation of the hospital is quiet, restful and beautiful, ideal for effective treatment and recuperation of the sick. Special attention is given to Diabetic patients. This can be done in a thorough manner because of the excellent facilities of our laboratory and dietetic departments.

The Beth-El Hospital Training School for Nurses is a fully accredited Class A school, offering a full three years' course, covering all the branches of nursing.

## The Increasing Popularity Of Our Summer School

---

*A preliminary summer school bulletin listing guest professors and courses offered will be out January 1st. Full descriptive catalog will be issued February 1st. To receive them address Box 20, University of Denver.*

---

THE growth of 14 per cent experienced by the University of Denver Summer School in 1929 did not come entirely from college students and teachers. More and more ministers, Sunday School teachers, and church workers are spending the summer months in this pleasant and profitable way. A number of Denver housewives wishing to keep abreast of the times registered for one or more courses.

For next summer an outstanding list of guest professors is being arranged in addition to the regular faculty. Special emphasis will be placed on education and notable experts in this field will teach courses and give free daily lectures. A strong curriculum of regular Liberal Arts, Fine Arts, and Commercial subjects also will be offered.

Thousands of persons throughout the United States are now enjoying this new way to spend their summer vacations.

SUMMER SESSION OPENS JUNE 16, 1930

## VI. Reports

### (b) STANDING COMMITTEES AND BOARDS

#### REPORT OF THE COMMITTEE ON EDUCATION

As in recent years, we ask that the Conference receive as a part of the report of this committee the reports of the heads of the educational interests of the Conference. We therefore embody herein the reports of Chancellor Hunter, made to the Conference by Vice-Chancellor Engle, the report of President Cutshall of Iliff and Dr. Hollenback for the Wesley Foundation.

##### Children's Day Fund

It is to be greatly regretted that less than 50 per cent of our charges take an offering for the Children's Day Fund. With the increasing demands made upon this fund by the larger number of young people from our churches attending our educational institutions, there ought to be a growing, rather than a decreasing interest in this fund. We urge that every charge observe Children's Day. That the pastor call attention to the fact that The Christian Student is sent free to all who contribute one dollar or more to the fund. That all monies collected be sent promptly to the Board.

##### Recommendations and Requests

We ask that the Conference request through its Resident Bishop, Charles L. Mead; its Secretary, R. S. Dum, and the Area Representative, H. G. Goodsell, that the Board of Education of the Methodist Episcopal Church grant an appropriation of \$10,000 annually to the University of Denver.

##### For the Iliff School of Theology

We reaffirm our confidence in the willingness of the Board of Education to present Iliff's claim for "adequate support" to the World Service Commission.

We recommend that the Conference order an assessment of 1 per cent of the pastor's cash salary for the support of Iliff School of Theology.

### THE ANNUAL REPORT OF THE CHANCELLOR OF THE UNIVERSITY OF DENVER TO THE COLORADO CONFERENCE

MAY, 1920

*To the Trustees and the University Committee of the Colorado Conference of the Methodist Episcopal Church*

#### NECROLOGY

The University has suffered great losses during the year in the passing of several distinguished members of the faculty.

Anne McKeen Shuler, Dean of Women of the University for seventeen years, passed away on October 21.

Professor Owen Bertram Trout, who had been Professor of Mathematics and Registrar of the University since 1906, was called away on January 24.

After a sudden attack of pneumonia, Perle Shale Kingsley, Professor of

Speech, and identified with the University for twenty-three years, died on February 6.

On May 10 Mrs. Mary R. Bilz, instructor in English at the School of Commerce, was accidentally killed by an auto truck which left the street and struck her while in the yard of her own home.

It would be impossible for me in this brief resume to do full justice to the permanent and constructive contribution rendered to the youth of the Rocky Mountain region and to the University by the work and lives of these teachers. To be a true teacher is to lead a life of greatness, and these have left in high idealism, culture, and qualities of leadership a permanent deposit of immeasurable value in the lives of the makers of progress and civilization. All who constitute the University of Denver, present and future, rise to pay them tribute; for their works do follow them.

Since the last annual meeting of the Board of Trustees its number has been sadly diminished by the passing of three of its members:

Charles R. Brock died in July, 1928.

James R. Thorpe died in September, 1928.

L. Wirt Markham died in April, 1929.

All of these men had given long and faithful service to the University. Their period of activity extended over thirty years. In addition, Mr. Brock had been a valued member of the faculty of the Law School for a generation. It is with great sense of loss to the Board of Trustees that the passing of these colleagues is here called to your attention. In every activity of the University, these trustees had been at the call of the Chancellor and the officers of the institution for any service within their power. These men were invariably present at every meeting of the Trustees, Mr. Markham always coming from Lamar to the annual meeting even after suffering from impaired eyesight.

Appreciation of their services and deep sense of loss is here recorded.

#### AN EXCELLENT RECORD

In the business of revisioning and revising the program of the University that it may more ably serve the purposes of higher education, it is appropriate—even more, it is an injunction upon us—to give heed to the past of this institution and what it has done for the upbuilding and progress of Colorado. For a period of sixty-five years, since the founding of the University on March 5, 1864, by that valiant friend and apostle of Abraham Lincoln, Governor John Evans, and his co-workers, this University has continued to give to the people of Colorado a group of trained and far-visioned leaders. No one can estimate the value of these to the present level of living and prosperity of this region. In the ideal of service always instilled by the University, in a constant and devout purpose ever present in technical training in many fields, in a consistent and idealistic service to humanity, this University has been one of the great factors in the evolution of a culture in this western empire.

#### STUDYING THE PROGRAM

The approach to the statement of a revised program applicable to present needs is naturally through a study of the facts. This has been attempted mainly in two ways. The faculty and administrative officers have organized for a thorough survey of the internal procedures of the University. Experts in the field of higher education have been called to the assistance of the University to assemble facts and to advise.

#### SURVEY OF INSTRUCTION

During the month of November a permanent Committee on Instructional Procedure was established by the College of Liberal Arts and Engineering Schools. The personnel of the committee is as follows:

Dean D. Shaw Duncan, Chairman; Professor D. E. Phillips, Professor R. J. Walters, Professor S. A. Lough, and the deans of the respective professional schools, for the consideration of instructional problems. In appointing the committee, the purpose to be attained by its work was stated as follows:

"To compare our own procedure with established standards elsewhere; To appraise the professional growth on the part of the personnel of the staff, with the purpose of improvement in instruction.

"The committee is expected to continue its work indefinitely and to recommend a permanent supervisory and appraisal procedure before the end of the school year."

A preliminary report on the Honors System as developed and practiced in several typical institutions of higher education was presented to the faculty under the auspices of this committee by Professor Perle Shale Kingsley and Professor Levette J. Davidson. As a result of the investigation of the subject and a discussion by the faculty, action was taken approving the recommendation of this committee. These recommendations which become operative as a general faculty experiment during the coming year are as follows:

"That each department or group of departments which so desires may be authorized by the administration, on recommendation of the Committee on Instruction, to offer not more than two semesters of honors work in the senior college; the maximum amount of credit to be earned not to exceed five semester hours per semester; the amount of credit earned to be

determined on an individual basis, taking into account the quantity and quality of the work and to be determined by a conference of the professor and the Instruction Committee; that students for such work be selected from the senior college or graduate school, and only upon the recommendation of some professor in the department or group; and that the instruction in this work give prominence to the conference rather than the classroom method."

Full discussions were held under the auspices of this committee at the regular faculty meetings on the report of Dr. Wilkins and the Commission on the Enlistment and Training of College Teachers at the Annual Meeting of the Association of American Colleges. This report served as a basis for faculty discussion at several meetings of the second semester.

#### SURVEYS BY ADVISORY EXPERTS

Early in the year a Policy Advisory Committee was appointed for the purpose of surveying the general situation of the University and recommending constructive changes. The membership of this committee consists of these distinguished leaders in the field of higher education:

Dr. Henry Suzzallo, formerly President of the University of Washington, and representative of the Carnegie Foundation for the Advancement of Teaching.

Dr. Samuel P. Capen, Chancellor of the University of Buffalo, and formerly director of the American Council on Education.

Dr. Ray Lyman Wilbur, Secretary of the Interior and President of Stanford University.

Dr. Suzzallo spent much of the month of December with us in a preliminary review of the conditions surrounding the work of the University. His tentative report suggested several important changes, such as the gradual elimination of the School of Dentistry, the establishment of an Art Department, and emphasis upon a "quality" program in fields in which we might expect high achievement without duplication and competitive rivalry with sister institutions.

Dr. Suzzallo and Dr. Capen met with the administrative officers and faculty again in May, 1929. An extension of the tentative report has been submitted which will be positively helpful in approaching both our immediate and ultimate problems. The committee, with membership as above, will continue in an advisory capacity to this office and Trustees during the academic year 1929-30, and has tentatively arranged for a meeting at the University of Denver early in the second semester.

During January, a Library Survey Committee reviewed our library conditions and procedure and made recommendations. The personnel of this committee consisted of:

Dr. George A. Works, Dean of the Graduate Library School of the University of Chicago, Chairman.

Harry W. Craver, Librarian of the Engineering Society's Library, New York.

Sidney B. Mitchell, head of the Library School of the University of California.

The findings and report of this committee established a basis for further library development and a possible expansion of the service of the University to meet the needs of high schools and municipalities for trained librarians.

Through the benefaction of a member of your own body, Mr. James H. Causey, and by virtue of the gift of Mrs. Reed in the form of the Margery Reed Mayo Building, the University is enabled to look forward to a program of dramatic art during the next year.

During the week of April 22 Mr. Frederic McConnell, Director of the Cleveland Playhouse, one of the finest little theatre organizations in this country, and his assistant, Mr. Max Eisenstatt, surveyed the field of dramatic art in this city. Recommendations for a program in the University and for the selection of a director of the highest type were submitted by Mr. McConnell at the end of his survey. These will form the basis for the development of this program in the University of Denver.

All of the fields represented by the above surveys are practically untouched in the Rocky Mountain region. There is no great school of art; there is no school of library science; there is only a slight development in the little theatre field in the institutions with which I am acquainted. It would seem that a fruitful program lies in this direction.

#### ORGANIZATIONAL RECONSTRUCTION

A study already made of the city surrounding the University—of its resources and its possibilities—has led to several initial steps of importance. It has seemed to be necessary that these beginnings should be undertaken promptly. A brief account of the following additions and changes afford some insight into the possible developments of the future:

#### PUBLICITY DEPARTMENT

An expert in the field of publicity and journalism in the person of Mr. Sam Jackson was added to the staff at the opening of the last academic year. Mr. Jackson has an excellent record in the conduct of publicity programs for such enterprises as the Community Chest and Chamber of Commerce campaigns, and the like. He has devoted himself during the year to

courses in Journalism and Advertising and to making known the activities of the University through the daily press; through a revision of the University bulletins; through changes and enlargements of the mailing lists; through news letters sent to publicity organs, etc.

#### ALUMNI ACTIVITY

The office of the Alumni Secretary, with the assistance of the Director of Publicity, has undertaken the publication of an alumni organ known as *The Pioneer*. This publication bids fair to be self-supporting another year and has met with approval on the part of members of the University Alumni Association. The five thousand alumni of the University of Denver should be continually informed of University progress, and centers of interest established by means of the activities of the alumni office. This has happened in a number of important places, as follows: Boston, New York, Los Angeles, Kansas City, Chicago, St. Louis, San Francisco, Pueblo, Durango, San Luis Valley.

#### CHAPPELL SCHOOL OF ART ADDED

No city in the United States of the size of Denver seems to have experienced so large a development in the field of art as has Denver. Based upon the evident art resources in this city and its environment and the advice of the experts who have surveyed the situation, the University took action early in the year to add Chappell School of Art to the organization of the University. This school had been conducted in connection with the Museum of Art of the City of Denver under private auspices. A new director, recommended by the Cleveland School of Art, in the person of Mr. Vance H. Kirkland, was secured to take charge of the new development. The new school is known as the Art Department of the University of Denver (Chappell School).

#### ATHLETIC DEPARTMENT REORGANIZED

The recommendation of this office to the Executive Committee of the Board of Trustees on February 6 contains the reasons for the change in the management of the Athletic Department. The recommendation was adopted unanimously by the Executive Committee. It is as follows:

"The athletic function of the University continues to be a problem. It is the judgment of this office that there is only one justifiable purpose for the maintenance of athletics in an institution of higher education: namely, the achievement of a truly educational goal. An athletic department is not to be maintained for the amusement of the public, nor to make possible profitable betting by the sporting element of the community; nor to furnish a thrill for the student body. It must furnish fine leaders in physical education and give the student activities a sort of social cement which makes for a wholesome morale throughout the University. Anything subversive of this aim ought not to be tolerated. In support of this view may I quote from the Official Regulations on College Athletics of the North Central Association of Colleges and Secondary Schools, of which this University is a member:

"Paragraph 1. Final decision in all matters of athletic policy shall rest with the faculty or with administrative officers representing the faculty.

"Paragraph 5. Coaches should be regularly constituted members of the faculty, fully responsible to the administration.

"Paragraph 6. Faculties should control and keep within reasonable limits the amount of time devoted to athletics. This refers to hours of daily practice as well as to the number of contests and length of trips, or any other athletic requirement which detracts from academic efficiency.

"Paragraph 8. All athletic funds shall be either regularly audited by or directly handled and disbursed by the institution's business office. All athletic expenditures should be included in the institution's budget."

"This report was adopted by the Association of American Colleges at its recent annual meeting at Chattanooga, Tennessee, as representing the views of the Association on athletics as a university and college function.

"Recommendation:

"That the athletic staff of the University of Denver be made an integral part of the faculty thereof with positions listed for the year 1929-30 as follows; the positions to be filled when means of financing in accordance with the above-stated principles shall be definitely determined upon by the Trustees; all regular positions to be for the entire school year. The positions recommended are as follows:

"Director of Athletics,

"Assistant Director of Athletics,

"Business Manager of Athletics,

"Auditor of Athletic Funds,

"Publicity Agent, Part Time."

#### DIRECTORSHIP OF RELIGIOUS ACTIVITIES CREATED

This directorship was created at the February meeting of the Executive Committee. The recommendation of this office to the Executive Committee gives explanation for the recommendation. I quote from the report of that date as follows:

"The University of Denver has a unique opportunity in the field of Religious Education. For many years our present Department of Religion

under the able leadership of Dr. S. A. Lough, has shaped the thinking of many groups of leaders in the State of Colorado and the region tributary to the University of Denver. Moreover, in the more practical area of applied religion among the student body we have had a wholesome development. Such organizations as the Y. M. C. A., Y. W. C. A., and other groups with similar purpose have kept moral standards and religious ideals among the students at a high level. But, notwithstanding the national recognition accorded to us in the philosophical field, and the soundness of our religious conceptions among the students, we have no courses designed especially for the training of lay leaders in the church bodies and social institutions of our community. We do not apply our unusually fine philosophy by offering courses for Sunday school workers, social workers of various types, Y. M. C. A. and Y. W. C. A. leaders, and the like. Furthermore, there is no coordination and synchronized direction of the religious activities on the campus, nor on the several campuses of our professional schools, under centralized leadership especially chosen for this purpose.

"It is my opinion that this function has never been clearly defined and set before us as a goal, nor has it been possible for the already overworked leader and teacher at the head of this department to do more than he is now undertaking. It is also rather surprising to note that this function is almost wholly unserved in this entire Rocky Mountain region. I fully believe that the University of Denver can serve the great goal of higher education in furnishing standard-bearers of religious idealism to the community by taking steps to meet this need. In order to do so we must add an able member to the staff of Dr. Lough, whose department is now overcrowded with demands upon him.

"The Foundation for the Advancement of the Social Sciences is as much interested in this field as is the official faculty of the University. With some aid which may be offered from them and with what we now invest in the work of the Y. M. C. A. and Y. W. C. A., we can finance an associate professorship in the Department of Religion, which, if filled by an able young leader would accomplish what is so patently needed.

"Recommendation:

"That the position of Associate Professor and Director of Religious Activities be created to begin September 1, 1929.

#### FOUNDATION FOR THE ADVANCEMENT OF THE SOCIAL SCIENCES

The work of the Foundation for the Advancement of the Social Sciences has met with remarkable interest and support on the part of the leaders of the community and has progressed admirably during the present school year. The main emphasis has been upon the extension of international understanding and good will, not only in the University itself, but throughout the community, and the development of an informed public opinion by means of lectures, study groups, and through contact with contemporary statesmen and scholars from various countries.

#### THE MAYO GIFT

One of the most important of the recent developments is the gift by an alumnus, Mr. Paul Mayo, of \$200,000 to be used over a period of eight years, at the rate of \$25,000 a year, for faculty salaries and faculty expansion only in the College of Liberal Arts and the schools on the University Park campus. Provision is made in the gift whereby the present ratio of salaries to the budget must be maintained in order to make available for the purpose mentioned the \$25,000 of Mr. Mayo's gift. At the expiration of the eight years other funds of the University endowment will apparently be available to maintain the salary level which this will enable us to adopt. The immediate results of this gift will be:

1. A new salary schedule adopted at the meeting of the Board of Trustees on May 1, which will meet the levels suggested by the recent report of Mr. Trevor Arnett on teachers' salaries.
  2. A reduction of the teaching load of all members of the staff to sixteen hours or less, including City College (Extension) assignments.
  3. The complete incorporation of the City College (Extension) within the organizational unit of the College of Liberal Arts.
- The regulations under which the City College has been incorporated as an integral part of the College of Liberal Arts are as follows:
1. The director and faculty membership to be retained intact for the academic year 1929-30.
  2. A rate of \$250 for each two-hour course to be allowed members of the regular staff for a total of not to exceed four hours for 1929-30.
  3. Not more than 16 hours of teaching should be permitted regular staff members of the University, this to include the City College assignment.
  4. The rate for "outside" staff members to be \$420 per class for the year 1929-30.
  5. All receipts from the City College shall be paid directly into the treasury of the University.
  6. All disbursements shall be by warrant through the business department of the University in accordance with the regularly prescribed procedure.
  7. Members of the staff of the City College shall be appointed by the Chancellor after consultation with the director and confirmed by the Board of Trustees.

The salary schedule, as adopted for the year 1929-30, is as follows:

#### FACULTY SALARY SCHEDULE FOR 1929-30

Rank	Basal Rate	Allowance for Annuity	Total
Second Special Maximum for Magna Cum Laude Service.....	\$5,000 to 7,500	\$250 to 375	\$5,250 to 7,875

Promotions in accordance with this schedule shall not be automatic, but by specific executive action upon approval by the Chancellor's office. The condition for all promotions shall be satisfactory service.

#### MARGERY REED MAYO MEMORIAL DEDICATION

The dedication of the Margery Reed Mayo Building on April 11 was a signal event in the history of the University. This new building, couched in Collegiate Gothic by Architects Charles G. Klauder of Philadelphia and W. E. Fisher of Denver, establishes an architectural style for the new University campus. Mrs. Reed's generosity in giving this building thus contributes a standard-making unit of beauty to the campus, and at the same time ideally symbolizes the far-visioned spirit of Motherhood which is typical of the new higher education. The life of Margery Reed Mayo is thus permanently re-lived in an endless series in inspiration and example on the campus of the University of Denver.

The development of the Fraternity Quadrangle as a part of the campus is going forward rapidly. The first two fraternity houses are now nearing completion. They are erected in accordance with the standards adopted by the University, and harmonize with the style of the Margery Reed Mayo Building. The Executive Committee expects to take action to provide a similar quadrangle for the development of sorority houses and girls' dormitories on the south side of the campus near Iliff Avenue.

A complete landscaping plan has been evolved as a result of the generosity of Mr. John Evans and Mr. James Causey. The Inner Quadrangle formed by the new Mayo Building, the Chapel, the Main Hall, and the Gymnasium has been completely re-landscaped. It is embellished effectively and artistically by the Alma Mater statue, a gift of the friends of Mrs. Verner Z. Reed among students, faculty, and supporters of the University.

#### NEEDED BUILDINGS

Three new building units should be added to the campus immediately. The one most essential is a Library Building, which in modern University development should be the center, not only of the campus plan, but of the University organization. A building to house the Social Sciences and a Biological and Biochemistry Laboratory is also urgently required. The summary of these needs would be somewhat as follows:

Library Building as central unit in the new quadrangle to house an adequate Library and for a few years, during the development of the Library, to house academic departments.....\$350,000  
 Biological and Biochemistry Laboratory for Science Quadrangle.... 250,000  
 Social Science Hall and International House..... 175,000

The above schedule of buildings represents the immediate urgent needs of the campus. In addition, the following are actual requirements before the standards of a well-equipped modern institution are met:

A Women's Building, including Gymnasium, Club Rooms, Infirmary, and Department of Hygiene.....\$150,000  
 Dormitories for both men and women (2 units) each..... 50,000  
 Physics and Aero-Dynamics Laboratory..... 200,000

#### GIFTS

The University has been extremely fortunate during the past year in the gifts that have come to it from various sources. The completion of the Margery Reed Mayo Memorial Hall reminds us of the generous gift of its donor, and also of the generosity of the friends who were responsible for placing that beautifully sculptured group, the "Alma Mater" monument, on the terrace in front of it. The value of the gift of Mr. Paul Mayo—an endowment of \$200,000 for faculty salaries and expenses—has already been discussed.

In addition to his original gift of the University Building (formerly known as the Foster Building), Mr. James H. Causey has augmented the

available resources of the Foundation for the Advancement of the Social Sciences by the following grants for the present year:

F. A. S. S. (Budget and Benefactions, 1928-29).....	\$ 21,300
University (Foster) Building—Improvements.....	64,250
Equipment of the University Theatre.....	16,000
Improvement of the Campus.....	4,600

The amount of Mr. Causey's benefactions, then, during the current year have totaled more than.....\$106,150

Another loyal friend of the University has made the following donations:

Improvement of the Campus.....	\$ 2,500
For Chappell School of Art.....	1,000
Other benefactions.....	3,500

Total .....\$ 8,600

The University Library has been the recipient of gifts of books totaling 1,261 volumes and of 1,164 periodicals. Among these are several collections of rare and valuable books.

### ANNUAL REPORT OF THE ILIFF GRADUATE SCHOOL OF THEOLOGY

*To Members of the Colorado Annual Conference*

GREETINGS:

#### ENROLLMENT

From October 1, 1928, the date of the beginning of the first Quarter, to August 30, 1929, the closing day of the Fourth Quarter, the past school year of the Iliff Graduate School of Theology saw an enrollment of exactly 70 students, 62 of whom were regular credit students possessing a college

degree, the remainder, 8, having been auditors, most of them with some college training. The graduating class numbered 13, twelve obtaining the degree B.D., and two, Harry Morris and Martin Rist the Th.D. degree. One man obtained both degrees. These students came from fifteen states, four foreign countries and represented nine theological seminaries, and forty-one colleges and universities. They were prepared to do good graduate work in their training in and for the Christian ministry. They were a serious minded, open minded, spiritual minded, well chosen homogeneous group.

#### FINANCIAL STATEMENT

Iliff is fortunate in having a very careful and conservative management. In the personnel of a Board which is responsible for this conservative management is a man who has given without pay literally thousands of hours during the past thirteen years to the financial work of the School. This man is the Honorable Charles J. Blakeney, son of a Methodist minister, who is the Treasurer of the School. The following items of financial interest to this body are gleaned from his report dated June 30, 1929: Endowment, \$320,351.45; funds for the building of a dormitory for men living singly, \$18,590.13. Henry White Warren Scholarship, to become effective when interest increases principal to \$5,000.00, the sum of \$3,421.26. Library Endowment Fund, \$1,030.00. The deficit on June 30, 1929, was \$5,538.49. The endowment funds are carefully invested in first mortgages on Denver Real Estate by the Finance Committee, composed of Miss Louise Iliff, Mr. Will Iliff, Dr. C. A. Graham, Mr. I. F. Downer, and Mr. F. T. Henry of Denver. Iliff has never sustained a loss in the Endowment Fund.

#### THE STAFF

As most people in touch closely well know, the Iliff School has a strong staff of teachers, men trained in our best colleges, universities and graduate schools of religion, and well practised in the fine and somewhat exclusive art of good teaching. Each man is an expert in his chosen field and each man keeps in touch with the conditions and needs of the field for which our students are preparing. Each man is contributing also his full share to the general administration of the School. Professor Lindsay B. Longacre is Registrar and in charge of the chapel exercises. Professor James T. Carlyon is Librarian. Professor Ira A. Morton is Bursar and does some special work in supervising students in their religious education pastoral activities, and our new man, who has made good in every particular, Professor William H. Bernhardt, is the Editor of Iliff's publications. Dr. Wilson G. Cole, a man giving splendid service to Iliff, is on a special monetary arrangement, an arrangement which means considerable financial advantage to the School without crippling her program in any way, does no administrative work other than what comes up as a part of his work for and in faculty meetings.

#### GENERAL STATEMENT

Iliff's properties are in good conditions. Insurance is carefully and adequately placed. By using student aid in caring for the properties, men are assisted in obtaining theological education and the School purchases the labor needed at a reasonable price. Iliff has a ten-acre campus which joins the campus of the University of Denver on the south which in time will be used for theological buildings and aeroplane parking space. Within a few years theological students will fly to and from their charges, some of which then will be as distant as half a thousand miles. This will increase the enrollment. A number of strong men have passed the written examinations and have been admitted to candidacy for the Th.D. degree. During the school year faculty and students have enjoyed together a number of social evenings in the Iliff gymnasium and several picnic trips to the mountains. Bishop Charles L. Mead gave a strong commencement address. The religious tone of the School has been good and the academic interest sharp. Iliff takes seriously the responsibility of being the only training center in Methodism for ministers between Chicago and the Pacific Coast, Canada and Mexico.

#### LOOKING AHEAD

Iliff needs an increase in endowment by half a million, a dormitory which will cost \$100,000, a library which with up-keep and the purchase of books, calls for \$200,000.00 and approximately \$200,000.00 for scholarship and student aid purposes. This money is in the wide region which Iliff serves if someone can be inspired and set at liberty for getting it. The program of education of ministers is a strategy equal to the importance of their service in the world. No state school can perform this task. Only the Church can and dare do it. We have but one place to go for these needed funds, namely, Christian ministers and laymen of vision who can see beyond the excited clamours of today's worthy and temporary needs into tomorrow's statesmanship in Kingdom building.

Respectfully submitted by the President,

ELMER GUY CUTSHALL.

## REPORT OF THE COLORADO CONFERENCE WESLEY FOUNDATION

The Wesley Foundation is now entering upon the fifth year of its corporate existence and is carrying on with well defined activities on the campuses at Boulder, Fort Collins and Greeley while Golden and Gunnison have affiliated relationships to the Foundation.

Funds are of two sources:

1. Monies received annually from the several churches constituting the Colorado Conference on the basis of an asking of a minimum of ten cents per full member. The receipts from this source in 1927-28 were \$3,472.00. This money is appropriated to the several participating agencies only after careful recommendations of a standing committee known as the budgeting committee. To date Boulder, Fort Collins and Greeley are the principal beneficiaries, while a small appropriation is being made in favor of the Mines Christian Association at Golden. In fairness to all parties concerned, it should be stated that about one-half of the funds above named are contributed by the local churches at Boulder, Fort Collins and Greeley.

2. The second source of income is from the Joint Committee of the Boards of Education and Home Missions at Chicago. Funds from this source are disbursed by the Joint Committee to be applied on salaries of the student pastors. All funds pass through the hands of a common treasurer, whose accounts pass under the scrutiny of an auditing committee periodically. It is the purpose of the Trustees of the Foundation to develop a plan of expansion, including buildings on or near the campuses where work is being carried on just as soon as circumstances appear auspicious for such undertaking.

The quality of work being carried on in these several campuses has never been better than now. The student pastors are qualified men of mature experience and far vision. The need is for more resources with which to handle the task. As time progresses, an ever-widening circle of friends should be won to this great enterprise of caring for our students of Methodist origin and preference at the seats of our tax-maintained schools of higher learning in Colorado. Recognizing the vastness of the challenge to the church and the need for ever-increasing sources of income, your Committee on education reaffirms its faith in the ideals and program of Wesley Foundation, and recommends an asking of ten cents per member from each church.

The following are nominated for the vacancies in the Board of Trustees:

F. R. Hollenback, for the four-year term;

R. H. Ayres, for the three-year term;

W. G. Cole, for the two-year term;

E. G. Cutshall, for the one-year term.

## REPORT OF THE COMMITTEE ON RELIGIOUS EDUCATION IN THE LOCAL CHURCH

We recommend that every church school in the Colorado Conference be assessed five cents per member per average attendance, the date of payments to be December first and May first, same to be paid to R. B. Spencer of Fort Morgan.

We nominate the following members of the Conference to constitute the Committee on Religious Education in the Local Church:

J. J. Lace, R. H. McVicker, F. J. Cox, Joseph Antle, William I. Jones, S. W. Marble, W. G. Cole, J. A. Glendinning, J. T. Coulter, W. C. Wasser, George F. Klein, I. L. Morgan, W. A. McCleneghan, A. J. Waller, J. L. Chesnutt, W. D. Cole, C. E. Albertson, I. W. Kingsley, A. P. Gaines, E. O. Harbour, R. B. Spencer, R. H. Ayres, W. E. Blackstock, F. H. Zimmerman, L. B. Logan, M. B. Beattie, H. M. Gilmore, E. C. Wright, A. E. Tuck.

We urgently request that every charge observe Rally Day and take an offering, inasmuch as it is returned for use within our own Conference.

We ask that a place be given in the Treasurer's blanks for "Church Schools."

We cannot speak too highly of the work being done in the Church Schools of our Conference by our Secretary, Dr. H. M. Pingree. We ask that he be re-appointed to this work for the Conference year 1929-1930. We bespeak for him your hearty support in the work of the ensuing year.

We respectfully request that the consideration of the matter of Religious Education in the local church, be made the order of the day on Thursday morning at ten-thirty o'clock at the next session of our Conference.

In order that our Conference members may be better informed as to the progress being made in religious education, we ask that our Secretary exhibit at the 1930 session of our Conference charts of the work being done in religious education in this Conference.

Respectfully submitted,

R. H. McVICKER, *Chairman*,  
M. B. BEATTIE, *Secretary*.

## REPORT OF THE SOCIAL SERVICE COMMISSION

### COLORADO CONFERENCE, 1929

In our increasingly complex civilization the application of the teachings of Jesus to social relationships grows at once more difficult and more imperative. The Church must demonstrate the power of the gospel in a pagan economic order or lose its claim on the minds of men, and our present order must be Christianized or perish!

### CHURCH OPPOSES CAPITALISTIC SYSTEM

Touching the issue in the realm of industrial relations which lie at the heart of our present civilization the Methodist Episcopal Church offers no mere palliative. The action of the General Conference of 1916 commits us frankly to the endeavor to substitute for the present competitive system, a co-operative order. Upon our pastors and laymen alike, therefore, rests a solemn obligation to ponder and to act upon the declaration that "the church must clearly teach the principle of co-operative control and ownership of industry and of the natural resources upon which industry depends, in order that men may be spurred to develop the methods that shall adequately express this principle. Only so can the strife and the hatred which now too often obtain in the industrial world be transferred into peace and goodwill."

We should likewise be concerned about the rapid industrialization of our farms which will inevitably lead to peasantry. Let us call upon our people to give all possible aid and encouragement to genuine co-operative movements, and to the enactment of such laws as will provide adequate social protection to owners and workers in case of losses through unpreventable disasters.

### WEALTH BELONGS TO SOCIETY

In a day when eminent churchmen are justifying stock speculations on the ground that many prominent laymen thus acquire their unearned wealth and when, according to the most recent findings of our economics, 5% of our population has come into possession of 80% of our wealth, while millions are denied even the opportunity to work; when human values are constantly being sacrificed in the interests of property, we would re-emphasize the declaration of the General Conference of 1924, that "property rights possess no inherent sacredness which puts them beyond the reach of criticism and revision by Christian society. We recognize the ethical divergence between property for use and property for power. We maintain the soundness of the principle that a man is entitled only to what he has in some real sense earned. Wealth according to the holders through monopoly values or special privileges, or through large opportunities for costless saving, is not earned, and wealth created by society should be devoted to the development of all the people in ways to be determined by the people themselves."

### CHURCH FOR COLLECTIVE BARGAINING

We record our appreciation of the endeavor being made in Colorado to apply the Christian principles of collective bargaining and "a more equitable division of the products of industry" in the industry which has witnessed so much of suffering and bloodshed. We congratulate the Rocky Mountain Fuel Company, not only upon its notable success in dealing with organized labor through representatives of labor's own choosing, but also upon their venturesomeness in applying to a difficult situation, the ideals which the church has long proclaimed. This company having demonstrated the practicability of better wages and conditions in the Colorado coal industry, we record our conviction that similar benefits should accrue to all the coal miners of our state.

### OPPOSE CHILD LABOR

As a church we must take cognizance of the exploitation of child labor in our sugar beet industry. In the words of the General Conference of 1912, "Only a pagan church could be silent about it." The wages paid the largely foreign born adults and their children in the beet fields challenges the Christian conscience and compels us to give study to the facts with a view to prevent industrial conflict in this field.

### INTERNATIONAL RELATIONS

In the field of international relations we gratefully note the larger acceptance of the teaching of the church with regard to war. The Paris Pact may well mark an epoch in history if the whole church will set itself "to create the will to peace" and oppose all preparation for war in keeping with the spirit of this international agreement. President Hoover has rendered our country and the world a real service in calling attention to the fact of America's unprecedented expenditures for our army and navy, making us the world's most military nation. We would likewise record our appreciation of his co-operation with the Labor Government of England in an attempt to inaugurate a real program of disarmament.

**PREPAREDNESS LEADS TO WAR**

Believing as does the Methodist Episcopal Church that "preparation for war leads to war" and recognizing the suspicion and ill-will aroused in foreign countries by our various forms of military training, we reiterate our opposition "to military training in high schools" and particularly "to all compulsory military training in colleges and universities."

We congratulate the administration of Colorado University on the fact that it has remained free from this encroachment of the War Department upon our system of higher education and we request the resident bishop of the Denver area to communicate the opposition which we feel to such training as well as our patriotic purpose to use all just and democratic means to insure its discontinuance to the administrative officers of the Colorado School of Mines, Golden, and the Agricultural College at Fort Collins, as well as to the Superintendent of Schools of all cities within our bounds where military training is given.

The General Conference of our church having recorded its opposition "to the aiding of military training camps by government postmarks on mail matter," thus tending "to create a wrong impression regarding the attitude of the United States toward universal peace, we request the secretary of our Conference to communicate with the Senators and Congressmen, respectfully requesting them to take up the matter with the postoffice department with a view to its discontinuance next year.

**CIVIL LIBERTIES**

Since liberty of conscience is so closely related to civil liberties we cannot accept, without active opposition, any abridgement of the constitutional guarantees of free speech and assembly. Particularly objectionable are such encroachments as are too common in times of industrial conflict, and that misuse of our judicial system by powerful interests which tends to bring into disrepute all democratic processes.

We believe that the greater menace to our institutions is not the political or industrial agitator, but all those who stand in the way of the development of justice and the possibility of the fullest self-realization of the lowliest citizen. As ministers of the gospel, we dedicate ourselves anew to the cause of the poor and the needy, which, according to the ancient prophet, is to know Jehovah.

**A SUPPLEMENT TO THE REPORT OF THE COMMISSION ON SOCIAL SERVICE**

We express our growing appreciation and evaluation of the unique contribution of Grace Community Church toward the practical application of the social principles of A. A. Heist, the workers in the mines, the shops and the fields of our area are becoming conscious of the friendship of the Church of Christ, and the church is becoming conscious of the cultural and spiritual aspirations of labor.

Because of the essentiality of this service, and the inability of the local church alone to finance this program of real Kingdom building, we urge all our churches to come to the support of the Grace Church project by securing associate contributing members and by designating through the World Service special gifts to be used by the Board of Home Missions to continue the heraldry and healing issuing from this strategic center.

WILSON G. COLE,  
W. C. WASSER,  
E. M. WAHLBERG.

**RESOLUTION ON WORLD PEACE**

WHEREAS, The World Peace Commission of the Methodist Episcopal Church desires a standing committee in each Conference whose duty it shall be to give careful study to the whole subject of world peace and to keep it before the Conference, co-operate with the World Peace Commission and give assistance to local churches as far as possible, and,

WHEREAS, The Social Service Commission of our Conference has in the past been concerned with these matters, therefore,

BE IT RESOLVED, That the Social Service Commission of the Colorado Conference be hereby designated as such standing committee.

**WOMAN'S FOREIGN MISSIONARY SOCIETY**

We note with gratification that the Woman's Foreign Missionary Society has maintained its high standard of giving and service for the past Conference year, and heartily commend this organization for the work accomplished.

We also commend the Society for the forward-looking celebration which is being planned at Columbus, Ohio, for this year.

**REPORT OF COMMITTEE ON SABBATH OBSERVANCE**

The Christian Sabbath is one of the great gifts of an all-wise God and was declared by His Son Jesus Christ to have been "Made for Man."

It was one of the first institutions to be planted on American soil, and it is recognized in the second article of our constitution.

It is also recognized in the statutes of the State of Colorado as Sunday,

commonly called the Lord's Day and is thereby safeguarded against being commercialized by charging an admission fee for any form of amusements by said law.

**THEREFORE, BE IT RESOLVED,** That we as members of the Colorado Conference voice the action of the General Conference of 1928, that "the Church will not stand by and see the walls of the Sabbath broken down."

**AND, BE IT FURTHER RESOLVED,** That we continue our custom of setting apart the first Sunday in November for special sermons on Sabbath observance, bringing to the attention of our people the need of maintaining and safeguarding the Christian Sabbath as a day of rest and worship.

C. S. MUNDELL,  
J. M. FLYNN,  
R. E. SCARFFE,  
W. S. BAINBRIDGE.

### REPORT OF THE AMERICAN BIBLE SOCIETY

It is a matter of rejoicing to all Bible lovers that during the last fiscal year the American Bible Society distributed nearly Eleven Million copies of Scripture throughout the world. Truly the continued and ever-increasing distribution of the Bible is a modern miracle.

The American Bible Society does not belong to itself. It belongs to the Christian forces of America. More than a score of denominations contribute annually to its support and recognize it as their representative in the translation, publication and distribution of the Book upon which all Christian churches are founded.

Because the Bible in the English language may be procured from many publishers, we are apt to overlook the fact that commercial houses are not interested in the publishing of books which do not yield a good profit. As a result the Bible is commercially published in less than a dozen foreign languages. From whence, then, come the hundreds of translations used by our Missionaries at work among foreign language groups, both at home and abroad? The American Bible Society is the official source of supply for more than fifty Missionary Societies and sells all its Scriptures without purpose of profit.

**THEREFORE,** We, the members of the Colorado Conference, pledge the continuance of our prayers and financial support to the American Bible Society, and heartily commend the splendid work being done by Dr. A. F. Ragatz, our Denver Agency Secretary.

### REPORT OF THE COMMITTEE OF THE WOMAN'S HOME MISSIONARY SOCIETY

In view of the declining returns for World Service collections and at the same time the urgent need on the Home fields of keeping the work going on even keel in order to stem the tide of cross materialism now spreading so rapidly through the urge and power of massed capital seeking only profits through the use of science and the production of goods, we come again to commend the loyalty and sacrifice of the Woman's Home Missionary Society.

We wish also to commend our presiding bishop for his informing and inspiring message given during this Conference session, on conditions and problems in America.

Too much praise cannot be given to the conference and district officers of this society, for their faithful work in support of our deaconess and children's home work.

We bespeak a larger interest on the part of our pastors in the Kansas City training school and that of interesting young women in that school.

Respectfully submitted,

Committee:

I. O. HALL,  
A. W. HALL.

### REPORT OF THE COMMITTEE ON EPWORTH LEAGUES

This committee suggests that in the future the committees of the Conference for Religious Education and Epworth Leagues be united into one committee, since Dr. Pingree has the supervision of our young people's work in the Church School and also of the Epworth League. We feel that such an arrangement would give more adequate supervision.

We wish also to again suggest that our two Colorado Epworth League Institutes do not come on the same week, but that one should follow the other in successive weeks, and that the Colorado Conference call upon the commissions of the two institutes to very carefully consider such an arrangement.

The Pine Crest and San Isabel Institutes united during the last year and the institute this summer which met at Pine Crest was the merger institute of the two former institutes. The institute was the most successful ever held in this region. The registration was 517, and the spirit of the institute was superb. As a Conference we wish to express our happiness over the success of the Pine Crest Institute, and we wish to express our

willingness to co-operate in every way to make the future finer than the past.

On the other side of the Rockies, in that great empire of our state, the Grand Mesa Institute, which meets there, reached the highest point in its career this year, with 236 paid registrations and with the finest morale ever. The officers and the leaguers of the Grand Mesa Institute are planning for finer and better things. The Colorado Annual Conference wishes also to express to them our appreciation of the great service that they are rendering and to tell them of our desire to help their work in every way.

These two institutes tell us something of the value of the Epworth League enterprise in our church groups. We call on all of our members as pastors of the churches in which these leaguers live and work, to take a personal and adequate interest in the work of the league, realizing that that is the agency by which the leaguers of the next generation are being trained for that leadership.

We give it our whole-hearted support and we wish to be made a part of the program of the Epworth League in Colorado.

(Signed)

RUSSELL L. JONES, *Secretary*,  
CHAS. A. NOWLEN, *Chairman*.

### REPORT OF BETH-EL HOSPITAL

Your hospital has taken care of more patients during the past year than ever before in its history. More babies were born in the hospital and more operations performed than ever before. From the standpoint of service it has been a good year and a year that we can be proud of. From the standpoint of help that has come to us from the Conference it has been a poor year. There never was a year when we needed money as badly, for the demands have been extremely heavy upon us. We appreciate everything that you have done for us. Nearly all of the churches sent at least something to be credited to our free work account, but some of you did not send anything. The receipts were small from the White Cross enrollment, smaller than ever, in fact. I do not know what caused this, but if you pastors could just realize what we are doing, I believe you would take more interest in us. You know that we would do anything humanly possible for you and yours. We have proved that in the past, and I want you to know that anything I may say is said in the friendliest possible way, for I think too much of every one of you to say anything that would hurt.

The service we rendered without pay amounts to \$11,781.04 for this Conference year, \$3,346.27 of which has been rendered to pastors and their families. So do you not think that we have done our part? The question I want each one of you to ask yourself is, "Have I done my part?" Some of you have gone the limit, for your churches have sent almost \$1.00 per member, and we want every one of you to set your mark for next year at \$1.00 for each adult member of your church.

When you realize that 1,600 operations were performed in our little suite of operating rooms last year, you will marvel at how we keep the surgeons coming to our hospital when they can go to either of the other two hospitals in Colorado Springs, which are fortunate enough to have many operating rooms, finely equipped. To my mind there is just one thing that brings them to us and that is service—the service that our nurses give them. But we cannot exist much longer on this one thing alone, for more equipment is needed and more room is needed, and at once. We are asking your aid in helping to secure this.

We have a wonderful group of nurses, fine Christian girls that you may well be proud of. A good many of these girls are your own girls, and I am ashamed that we have to house them as we do. Some of these girls, even for the first year of their training, have to stay in the basement of the Nurses' Home. We need more rooms for them at once.

Just a word about our training school. It is recognized as one of the leading ones in the entire Middle West, as is shown by the fact that we had twenty-eight girls enter training last Monday and they selected this hospital because of its high standing. Ours is a Christian hospital and a Christian training school with Christian ideals. If some of you could just sit in my office at ten minutes until seven, mornings, and listen to the chapel exercises, I am sure that you would be greatly impressed by the seriousness of these girls who sing, read the Bible and pray. Does it not mean something to have a part in training Christian girls for Christian service? You must remember that without your Christian hospital you would never be able to have Christian nurses for your institutions. This year we are adding Bible study to our course of study, and this will be compulsory. The girls attend church once on Sunday, and our fine Nurses' Glee Club practices each week, so that they may go out and bring the message of song to you. Is it any wonder that the services of our nurses are continuously being commented upon so favorably? We are educating your girls and you in turn will help us to maintain this fine school, which means just as much to girls who want a nurse training course as the college does to those who want to take up medicine, law, business administration, teaching and many other vocations.

We have gone ahead year after year doing our part by ministering to the needy sick, and each year we fall behind, until now we face a free service deficit. We have received a net amount this year of only \$4,116.30.

So you can see that we have a free service loss. We cannot pay our bills unless the money for all of our services, whether free or pay, comes to us, for in the final analysis there is no such thing as free service. Our service is rendered on the recommendation and advice of the pastors themselves, and I know when you tell me about a case, that that case needs attention or you would not want to send it to us.

I know some of you pastors are up against members of your church who think they should not help Beth-El because they personally have never needed the services of it. Do these people stop and think what Beth-El Hospital means to the program of the church in Colorado Conference? That is the thing that we must show our people.

The hospital that does not do its quota of free work does not hold the same place in the minds and hearts of the people that the hospital does where a goodly proportion of the work performed is done without thought of compensation or reward. All through the Bible we find the command given to go forth and heal. The Master sent the disciples to "preach the gospel and heal the sick." This command, given 1,900 years ago is our authority to heal the sick and preach. These two things are equally important and are inseparable. Christ died on the cross, but He still lives in the world, and He lives in the hearts of our surgeons as they carry out His command to heal the sick. He makes our nurses angels of mercy to the sick. He gives the sick strength to their weakened bodies and snatches them from the grasp of death. Close by us as we carry on our work is the Christ. You and I are working together, you preaching the gospel and I helping to heal the sick, but we both work in the same common cause, the upbuilding of the Kingdom of Christ. Christ is as real to me today as He was in the days of Peter, James and John, when He started the restoration of humanity and asked us to "carry on" all the way to Calvary. Are we doing our best to help carry out the command, "Preach and heal"?

Lastly, I want to thank all of you ministers and laymen for the many courtesies shown to me personally and as a representative of your hospital. I try at all times to do my best, not only to represent your hospital, but also to be a help otherwise and lend a hand in some way toward the advancement of the Kingdom.

GUY M. HANNER, *Superintendent.*

### REPORT OF CONFERENCE HOSPITAL COMMITTEE

1. We commend our hospital, Beth-El, for the unselfish spirit which has been shown during this last year and for the fine service that it has rendered.

2. We recommend that the service rendered those who cannot pay be limited during the coming Conference year to \$10,000.00 for both total free and part pay service, and that we, on Hospital Sunday and during the week following, in our churches, raise the largest amounts possible so that this service may be rendered, and that all over this amount, after the expense of bulletins, field work, mailing, etc., has been taken out, be applied on our free service deficit, which has now been accumulating for three years, and to the Board obligation.

3. We feel that a very definite program must be adopted to further the interests of this fine institution which means so much to our church, and we recommend the following, after due consideration and discussions with our Resident Bishop and the Cabinet:

A. That the principle of free service to ministers be abolished and that the ministers be put upon the same basis as all others in the matter of service from Beth-El Hospital.

B. That the matter of organizing the Guilds be continued until there is a Guild in every church in Colorado Conference, and that we urge every pastor to do all possible to intensify the interest in these great organizations, which will be such a help to us all.

C. That Sunday, January 19, 1930, be set aside throughout Colorado Conference as Beth-El Hospital Sunday and that each pastor be urged to get the largest contribution possible for Beth-El Hospital with the assistance of his Hospital Committee and his Guild. We also recommend that wherever possible the hospital management ask pastors to change pulpits the Sunday before January 19 and that in every church on this Sunday we endeavor to put Beth-El Hospital in the thinking of our people more than ever before, so that on the following Sunday the response will be adequate.

D. We recommend that the pastors' room be discontinued for the purpose of consolidating the sentiment of the Conference in a worthy support of Beth-El Hospital looking forward to the future program. The Conference, therefore, not to support any special room for the time being.

E. We urge upon every pastor his whole-hearted support of this program and that every one of us assist the hospital management in every way possible by careful selection of the Hospital Committee, the organizers of the Guilds, and that we give the management mailing lists so that the hospital bulletin will get into every home.

Respectfully submitted

CONFERENCE HOSPITAL COMMITTEE.

**REPORT OF COMMITTEE ON RESOLUTIONS****Be It Resolved That:**

1. We express our deep appreciation of Christ Church, its Pastor and family. With great devotion they have ministered to our comfort.

2. We commend the leadership of Bishop Adna Wright Leonard. He has presided with charm and dignity. His addresses have been of unusual value in directing our thoughts to very practical but significant factors in our ministry. All have felt the contagion of his evangelistic passion. Bishop Leonard came to us a comparative stranger—he leaves a brother beloved.

3. A debt of gratitude is due the program committee. The great interests of our Church Boards have been well represented. The gripping addresses of Dr. Lynn Harold Hough lifted us to the heights of inspiration while the critical addresses of Powers Hapgood and Dr. Ralph Diffendorfer lowered us into a world of stark realism. We thank God for individual salvation and social redemption.

4. We rejoice in the progress of our educational institutions. The expanding religious work of Denver University is a source of gratification. The progress of Iliff School of Theology is a matter of congratulation.

5. We delight in the announced program of a bigger and better Central Christian Advocate. When an editor goes so far as to "book leg" for his paper, it deserves consideration. We honor Dr. Claudius Spencer and follow his pen with profit.

6. We deplore the crisis now on in World Service giving. We pray that our leaders may not so exhaust themselves in meeting the present emergency as to impair their ability to lead us into ways and means whereby such crisis can be avoided. We pledge World Service a new devotion in our own Churches.

7. This Conference session has revealed a life situation so tragic and yet so opportune that our human talents are quite insufficient. Only a new Pentecost will suffice. Only with the dynamic of His spirit can we meet the needs of this hour.

IRA G. McCORMACK, *Chairman*.

**RESOLUTION ON WORK OF THE BOARD OF PENSIONS AND RELIEF**

Inasmuch as we have now reached the close of the first year of our Conference Campaign for the Pension Fund and have before us the task of carrying this through to a completion, we offer the following resolution as a basis for the continuation of the campaign:

RESOLVED, First, That the Inter-Board Cabinet Commission, which has been the promotional agency through the past year and has done a highly commendable piece of work, be now discontinued and the work of prosecuting the campaign be re-delegated to the Board of Pensions and Relief, which is the permanent promotional board.

RESOLVED, Second, That as soon as possible after the reading of the Appointments and the readjustments through removals on the pastoral charges the district superintendents be asked to organize their districts so that every charge which has not already completed its campaign, shall with all possible speed continue and complete the same.

RESOLVED, Third, That the pastors of the Conference, who have so splendidly co-operated through the past year in making and paying their pledges, be asked to call at the Secretary's desk before leaving the Conference and prepare their pledges for the new year, so that the work may begin at once.

We hereby record our keen appreciation of the work done by Bishop Charles L. Mead and the district superintendents, assisted by Dr. B. N. Powell of the Board of Pensions and Relief, and we earnestly urge that under this leadership, the Conference rally to the new task so that we may, as quickly as possible, give way to other urgent needs that are pressing upon the Conference.

FRANK R. HOLLENBACK, *President*,  
 E. N. EDGERTON, *Secretary*.

## RESOLUTION

Inasmuch as the members of the Colorado Conference working in mission charges in Utah have voluntarily and without undue pressure loyally supported the Conference Claimants' interest, clearing through the Colorado Conference, and have raised from year to year the percentages which they have imposed upon themselves in full,

And, inasmuch as they now propose to increase the allowance from their charges from five percent of pastor's salary to seven percent.

BE IT RESOLVED, That the Colorado Conference hereby express its sincere appreciation of this mark of loyalty, and extend to these brethren our heartiest congratulations and greetings.

We further extend to our Colorado Conference members working in the New Mexico Mission, our sincere appreciation for their loyal support in the interest of the Conference Claims of the Colorado Conference, through which Conference their claims will now clear,

And in anticipation of the session of the New Mexico Mission, we hereby express our sincere greetings, and invite their continued loyalty to the cause in the future as in the past history of their own annual conference.

Board of Stewards,

E. N. EDGERTON, *Secretary.*

### ANNUAL REPORT OF THE EXECUTIVE SECRETARY, METHODIST EPISCOPAL CONFERENCE PREACHERS' AID SOCIETY, AUGUST 31, 1929

In all the activities represented by this Board this has been an exceedingly busy year. The one who adequately cares for all the minutia connected with this work gets no vacation. If he were rash enough to take one he would be confronted with enough accumulated business on his return to cause a nervous break down.

A glance at the annual statement made a year ago printed on page 93 of the last Conference Minutes and then at the similar statement for the year just closed, gives us an illuminating comparison. The entire cash turnover for last year was \$30,000.00. This year it has been over \$46,000.00. This is an increase of more than 50 per cent. A mere sordid and commercial minded man would glory in such a showing. We, being spiritual minded, only give thanks to God for this generous increase in the working capital of the Society and the corresponding increase in receipts for needy annuitants.

For the first time in the history of the Society the gross earnings have passed the \$10,000.00 mark. By "gross earnings" is meant interest on outstanding securities and commissions on new loans and extensions of old loans. This total is about \$10,100.00 this year as compared to about \$9,600.00 last year—an increase of about \$500.00. Last year the total paid the three classes of beneficiaries was \$6,301.72. This year it is \$6,907.27—an increase of \$605.55. The difference between this figure, \$6,907.27 and \$10,100.00 represents the amount, \$1,254.91 used for incidental expense plus about \$1,937.82 which went toward an increase in the permanent funds of the Society.

While it is significant that this, nearly \$2,000.00 of the earnings could be fed back into the funds to increase them, it is still more significant that there has been turned into the loan funds in cash from the Board of Pensions and Relief this year exactly \$17,000.00. This, with the gift of a \$2,000.00 productive security from one of our retired brethren, makes up the splendid total of about \$21,000.00 increase this year in all our funds.

Inasmuch as the old Jubilee and Patrons' funds are now about static, it follows that this increase is nearly all in the new Conference Fund in which the Conference is now so deeply concerned and the increase of which has, by your action of last year, become the "major financial project of the Conference for the next five years." It will be noted that this so-called "Conference Fund" now totals \$57,627.45 as compared with a total \$14,500.00 three years ago when the Conference moved forward into its present program of expansion. It should be noted that \$6,000.00 of this total is in the form of real estate which, while not productive of income, still carries about all its own expense of maintenance by means of rentals so that it is not a source of expense to the Society. This real estate is on the market and, as soon as possible, will be sold and the receipts merged with the productive funds.

While the death toll has made some inroad on the ranks of our retired brethren this year, it so happens that there has been no appreciable decrease in the claims upon our permanent funds but, on the contrary, some increases due to new claimants coming on the roll. In spite of this, the healthy condition of our productive securities is such that it will be unnecessary to make any cut in the rates of payment to the beneficiaries. By action of the Board, the rates will remain the same for the coming year as they were last year with the possible exception of one small dividend at sometime during the year to beneficiaries of the Patrons' Fund to absorb a small but persistent increase in the surplus now being carried to the credit of that fund. The rates therefore, will be 7 per cent to members of the Patrons' Fund group and \$5.60 per year of membership

in the Jubilee Fund. The beneficiaries of the Conference Fund will also receive 7 per cent except where annuities have been fixed by special contract.

Our investing committee which includes laymen F. E. Miller and H. O. Smith in its number, have been kept busy in placing the \$35,600.00 worth of new loans in a creditable manner and too much praise cannot be bestowed on these men who have helped so freely and conscientiously in this important capacity.

Respectfully submitted,

E. N. EDGERTON, *Exec. Secretary.*

We regret to state that the receipts from the charges showed a slight decrease this year, the first time, we think, in five years. Year by year the Board of Stewards has attempted to build up a reserve. Starting in 1924 with a balance of \$14,827.00, that balance has been increased during the five years to a balance this year of \$24,232.07. It is imperative that every pastor take this matter seriously, as the number of Annuity Years is increasing each year.

REPORT OF AUDITING COMMITTEE

Denver, Colo., August 28, 1929.

We, the undersigned, have this 28th day of August, 1929, carefully examined the securities in possession of the Secretary of the Methodist Episcopal Colorado Conference Preachers' Aid Society (E. N. Edgerton) and find same in order, including notes, deeds of trust, first insurance policies and abstracts. We find the total amount of notes agrees with total shown under "Securities" in his accounts, \$168,721.00.

We have also secured from the United States National Bank a statement of his balance today as \$1,119.87. This agrees with cash balances shown on his books.

We sincerely and cordially commend the Secretary for the careful manner in which records and securities are kept.

## VII. Memoirs

### OF THE COLORADO CONFERENCE OF THE METHODIST EPISCOPAL CHURCH FOR THE CONFERENCE YEAR 1928-1929

(In Chronological Order)

#### Dr. Albert Jacob Behner

By ELMER GUY CUTSHALL

Albert J. Behner was born September 4, 1888, at Hopedale, Illinois, of German parentage and pioneer stock in the second generation of residence in the United States. His boyhood days were spent in Iowa at Cedar Falls, Conrad, and Ottumwa where his father held pastorates. His high school work was done in Evansville, Wisconsin, and at Greenville, Illinois. In the high school period no inclinations toward the ministry appeared. At the age of 21, during his second year of college in Greenville, Illinois, he first heard the call to be a minister of Jesus Christ. From that time to the day of his call to cross the "great divide" he followed with steady step and eye unafraid this summons.

In the spring of 1913 he received the degree of Bachelor of Arts from John Fletcher College, Oskaloosa, Iowa, and in 1917 a bachelor's degree from the University of Denver. In 1919 the University of Chicago conferred upon him the degree Master of Arts and in 1928 the degree Doctor of Philosophy. He became a member of the Alumni Association of the Iliff Graduate School of Theology in the month of May, 1919. His academic attitude in all undergraduate and graduate work was the best. He was serious, penetrating, witty, thorough, exacting, wholesome and human. His judgment was able to suspend itself until adequate data were at hand.

Albert J. Behner took work on trial in the Iowa Conference in 1916. He served in the Rock River Conference from 1918 to 1921 at Norwood Park, Illinois, the time between 1916 and 1918 having been spent as a student in Iliff at which time he served the student charge of Peckham near Greeley. Neither the classroom nor the charge was neglected. The leading secrets of his success as a pastor were not secrets at all. People knew why his charges responded to his services. Strong, consistent pulpit work, deep personal interest in young and old, ability to stimulate the thought-life of his people without giving it paralysis with doctrines strange and beyond them, and a fine prophetic note in word and deed characterized his ministry. Other important phases of ministerial emphases were not neglected.

Albert J. Behner was a very gifted teacher and grew year by year in his ability to inspire and impart. This ability manifested itself first in Washburn College, Topeka, Kansas, where for three years he efficiently held the chair of Religion. In the summer of 1924 the Board of Trustees of Iliff called him to the chair of Christian Theology and Ethics which he held with marked approval and success until the day of his demise. In the class room or on the platform he could "turn on" a phrase which would light up a subject with unforgettable vision. More than one student said to me: "I never had a greater teacher." His greatness in the classroom was the greatness of a great spirit using a keen, well-balanced, well-finished mind to challenge men to find God. He inspired in his students, worthy habits of preparation and exposition.

None could give an administrative officer better co-operation than did this man. For three years we worked in efficient understanding and co-operation. He was generous and sympathetic and patient, attitudes which are the indispensable traits of one who puts the team above self. All who love Iliff miss him so very much. He was the type of spirit Iliff aims to nurture. May the memory of this tall strong son of God challenge hundreds of Iliff men to do their best and to be their best. As a member of the Iliff staff I am encouraged to go on to better things through the fact that "he being dead yet speaketh."

#### Angus Maclean

By C. O. THIBODEAU

Tender Shepherd of Souls,  
Gracious Preacher of the Glorious Gospel,  
Faithful, Devoted, Minister of Jesus Christ  
Is Crowned of God.

Quietly, imperceptibly, with no complaining word on his lips, he entered the morning land. We would expect him to go thus. It was just

past the noon-hour, of a beautiful, warm, bright, January day, when the chariot and horse-man called for this royal soul. And

*With a smile on his face  
And a wave of his hand, he's  
Wandered to that unknown land  
And left us dreaming how very fair  
It needs must be, since he lingers there.*

Invernesshire, Scotland, furnished him a birthplace. This rugged champion of righteousness, this noble, loyal-hearted man of God, partook much from the environment of his birth. This coming July would have completed sixty years of life for him. In 1880 his family came to America, to a Kansas farm, north of Emporia. Here he grew to manhood. Here, with his parents and brothers, he wrestled a livelihood from the Kansas prairie. And here with every member of his family, during a revival in a country schoolhouse, the shrine of God came into his heart to abide.

From that holy place went four brothers called to the ministry. A. R. Maclean, retired minister, now resident in Portland, Ore.; John Maclean, retired minister, resident of Chanute, Kan.; Robert Maclean, superintendent of Independence District, Kansas Conference; all at the funeral service.

Angus Maclean entered South Kansas Conference in 1902, and was appointed to Mound Valley charge. He was graduated from Baker University in 1904, and served almost a quarter of a century in the ministry. He loved the church with an ardent devotion. The ministry was his life. Rugged in appearance, his body was accustomed to pain and suffering. Many times has he proclaimed the will of God from the pulpit, in bodily fatigue and suffering; yet no complaining word fell from his lips.

In Kincaid, Gas City, Le Roy, Humboldt, and Erie there was a chain of victories for his Lord, due to the fact that the people recognized that God's own minister had come their way.

In 1913 he transferred to the Colorado Conference and was appointed to Salida, later serving Monte Vista, Loveland, La Junta, and Highland's, Denver—where he broke. The desperate situation there was too much for this gentle soul. He moved to Windsor with the hope that lighter work, with less arduous demands, would hasten his recovery.

His fine sense of honor, his deep love for the church, and his zeal that it grow under his administration, would not allow him to continue, so after six weeks he laid down the work for all time. In February, 1927, the family moved to Greeley, from whence he joined the redeemed in the city of God.

He is survived by a brother, Evan Maclean of Portland, Ore., and a sister, Mrs. Maggie Gordon of Emporia, Kan., other than those already mentioned, with his widow, and three sons.

His was a rich full life.

Love came his way, and on December 28, 1904, he took upon himself, with Nellie Ault Maclean, the vows of wedlock. Were we to speak of those years together we would need to use such words as thoughtful, gentle, unselfish, beautiful.

He was every inch a man.

Aye! More—he was God's man.

We call his name, but he replies not.

In the Jerusalem of God he awaits.

My brethren of the Holy Fellowship, I charge you that you faint not. That again we dedicate ourselves to the Christ of God. That we go forth in His name, to labor, to plead, to entreat, to spend and be spent, that the Master's will may be established in all the earth.

And to the loved ones, Nellie, Robert, Raymond and Paul; I charge you, by the thorny Crown,

And by the cross on which the Saviour died,

And by the rich heritage bequeathed you by your lover husband, and priestly parent,

that you faint not. The same Providence will continue, and lead you to living fountains of water. The Saviour in whom he trusted will be your invisible companion, your unseen guide. O Noble Soul, O faithful heart, all hail and Adieu.

## Charles Henry William Lauenstein

By FRANK R. HOLLENBACK

One of God's noblemen and devout servants ceased to work and to live on Wednesday, July 31, 1929, when Father Lauenstein, at the age of nearly eighty-one years, received the call to come up higher. Charles Henry William Lauenstein was born at Hanover, Germany, December 29, 1848, and entered into rest from his home in Longmont, Colorado. He left the Fatherland in the nineteenth year of his age, and coming to America, located in Iowa, after brief stops in Kentucky and Illinois. Always of a deeply religious turn of mind, he early found his way into the membership and ministry of the Methodist Episcopal Church, joining the old Saint Louis Conference which later was merged into the recently dis-

solved West German Conference. He entered the itinerant ranks in 1871 and served the Church with consecrated devotion for a period of twenty nine years. Conditions of family health necessitated retirement in 1901, when he located with his family in Longmont. Throughout that period he was as loyal and dependable in his relation to the pew as he had been as a pastor, endearing himself to all and commanding universal respect. He was a constant inspiration to his pastors. His funeral services were held on Saturday, August 3, 1929, from the First Methodist Church in Longmont. The services were in charge of his pastor, Frank R. Hollenback, assisted by three former associates from the old West German Conference. H. F. Ahrens, pastor of Saint Paul's Church, Colorado Springs, offered the prayer. H. C. Elfelt, retired and resident in Greeley, Colorado, sketched sympathetically the career of this good minister of Jesus Christ in Iowa and Nebraska. A tender tribute from the pen of a former pastor, Alfred J. Waller of Yuma, was read, inspired by the long and close friendship of many years. His pastor spoke feelingly of the character and unusual qualities of this worthy servant of God. The last word spoken in the Church was the benediction in the German tongue by his lifelong friend, Edward Beck, a retired member of the Nebraska Conference. The afternoon was overcast with threatening showers. As the body was being lowered to its resting place in beautiful Mountainview Cemetery, the clouds broke, and the westerling sun shed a halo of light about the sacred spot, and there were those present who remembered the promise that "at evening time it shall be light." The world is richer and better for this great but simple life. Father Lauenstein was a member of the Colorado Conference, having been received at the time of the dissolution of the West German Conference. He leaves two daughters, Miss Minnie and Clara, both of Longmont, and a son Irvin of Henderson, Kentucky.

## Theodore B. Tyre

By STANLEY A. CURTIS

The life of a man, especially of a godly man, is too vast and elusive and intangible to be gathered up in words and set forth for others to see and hear.

To say that a man was born at such a time in such a place conveys no adequate idea of the streams of influence and the tides of spiritual power which may have been set at work in the world through his birth. To say that he was educated here or there tells nothing of the storm and stress of his youth, the temptations conquered, the life decisions made and kept. To say that in such a place and at such a time he was married and established a home for himself in no wise measures the sweet sacredness of all those new relationships assumed in such a step. To say that he was the father of so many children does not reveal the extent of the contributions he may have made to the life of the race through them. To say that he was of this or that profession or took up this or that task only outlines the skeleton of his ministry, and tells nothing of the living flesh and blood of it.

Theodore B. Tyre was the son of Benjamin and Mary Mueller Tyre, born in Philadelphia, Pennsylvania, June 7, 1869. Beyond the public schools, he received his education in the University of Oregon. Then came the call to the ministry, and five years of consecrated service in the Philadelphia Conference. Then back to Oregon, taking with him this time as his wife, Elvira Learned, to whom he was united in marriage in Madison, South Dakota, April 23, 1901. To them was born one daughter, Mary Estella. After a year in the far West he found the place of his ministry in Colorado, where for a quarter of a century he labored wholeheartedly to establish more firmly the Kingdom of God, through the ministry of the Methodist Episcopal Church. The fruits of his labor are abundantly manifest at Holly and Granada, Manzanola, Hotchkiss, Eaton, Haxtun, Bethel Church, Pueblo, Christ Church, Denver, and Holyoke, at which last place his work was cut short by the pressure of ill-health.

More intimately, his wife and daughter, and his brother Harry, of Philadelphia, who survive him, know the blessed radiations of a wonderful personality, ennobled and empowered by unbroken fellowship with the divine.

That, after all, explains what Brother Tyre was in every particular. When a man insists that he means to live his own life, he settles down into colorless likeness to all others of similar intent. But when a man is content to let God live in him, he never knows what a new facet of the divine nature may be revealed through him.

Brother Tyre had the instincts of an artist. He believed not only in the beauty of holiness, but in the holiness of beauty. His conception of Christianity had no place in it for ugliness—whether of moods, tempers, dispositions, theology, or social attitude.

He was a man of high intellectual ideals. He believed thoroughly in a trained ministry, and gloried in the opportunity which came to him to serve his conference on its board of examiners and as its registrar. He took his task of preaching seriously. He began his week's work with the command of the Master, "Feed my sheep," ringing in his ears; and thought

first and foremost of standing before his people with the bread of life to give them.

He was constructive in his attitude and administration of the work of his churches. He was a builder, in his methods esteeming stability above speed, constructing so that there should never be need of reconstructing.

To him the fellowship of the ministry was very precious. There was nothing perfunctory in the title of "Brother" which he bestowed upon the men of his conference and calling. One of the most irksome deprivations of the last three years was not to be permitted to see and visit often with the men whom he had come to love in the twenty-five years of service in a common cause.

But no one has known Brother Tyre best, who has not known him during these past three years—who has not seen him in his Gethsemane. Every man, doubtless, hopes to fall when he is at the very height of his powers and labors, and does not sense the subtle cowardice of his desire. For it takes courage to wrestle with pain—to endure it through the daylight, and be awakened by it in the dark; to see one's pathway wend slowly but surely down into the valley of the shadow; to watch one's body steadily retreating before the onslaughts of disease, and yet keep one's spirit steadily advancing Godward and heavenward. When this valiant warrior was weakest in the flesh, then was he strongest in the spirit. His wife and daughter, whose loyal, patient, self-sacrificing ministries made his last months and years a source of unspeakable blessedness, and all those who had the privilege of tarrying by his bedside have rejoiced to hear his ringing reaffirmations of the great truths of God's Word—that "our light afflictions, which are but for the moment, are working out for us a more exceeding weight of glory," and best of all, that "this is the victory over everything sinister, even our faith." In that faith he lived and labored; in that faith he fought and won his battles; in that faith, now verified by the sight of things as they are, he will be waiting for the rest of us.

## Mrs. Ella Bennett Collins

By E. N. EDGERTON

Ella, daughter of B. K. and Margaret Bennett, was born in St. Louis, Mo., Aug. 3, 1855. In 1890 she came to Denver, and on Dec. 4, 1891 she was married to Rev. John Collins, one of the early pioneers and builders of Colorado Methodism, who had received that year for the fourth time, the appointment of Pastor of the South Denver Circuit, comprising most of the churches now grouped in that part of the city.

Mrs. Collins rapidly adapted herself to the varied requirements of life in a parsonage—when there was a parsonage. She herself said to the writer that, in addition to fulfilling the numerous duties expected of her as the wife of a pioneer preacher, she was housewife and farmer, often supplementing in a quite tangible way, the meager income with the fruits of her garden. The story of such a life is a story of the most stringent self-denial of the things which go to make this life comfortable. The year preceding their marriage, the husband's salary had been \$600.00, only \$275.00 of which was paid. The balance is still owing. She was ever a woman with a high sense of uprightness and duty and always expected in others the exercise of like qualities. She had little patience with sham and fraud and ever drove vigorously toward the goals of achievement, both as to character and service. In her chosen field she saw many about her willing to serve where emolument was attractive and advancement possible but few who were willing year after year to take the obscure place and the comparatively small salary still laboring on graciously and uncomplainingly. The annals of such a life are short and simple. They are never told this side of eternity but among the elect it is such as these who "shine as the sun" forever and ever.

Somewhat over a year ago she became afflicted with a malady which, even then, was so severe and of such a nature that the attending physician foretold almost to a month, the probable limit of her life. She met the ordeal with a smile and a cheery and hopeful spirit. She wanted life but not for herself. Her supreme concern was always for the husband with whom she had walked faithfully and lovingly through the long and trying years. When, a few weeks ago, the same affliction struck for the second time, what appeared almost at once would be the final and fatal blow, her oft repeated question was, "Who will take care of him when I am gone?" It was here that the deep, underlying tenderness of her nature asserted itself and dominated the brusque and rugged qualities which ever rested on its surface. She thought first of him, making her friends promise again and again that he should want for nothing. Here, in this realm so completely hidden even from her nearest friends, she carried a keenly sensitive soul. In a moment of faintness and unconsciousness, a vision came. Darkness fell upon her eyes—darkness that could be felt. She seemed to be walking through a wood. There was a path under her feet which, she felt had been pressed by myriads who had preceded her and far in the distance a point of light toward which she hurried. At the edge of the wood the thick darkness gave way to a dim twilight and just be-

yond shone a glorious brightness pouring its radiance over a place of unspeakable beauty. But this she was not allowed to enter and in a moment the veil lifted and she found herself amid the old, familiar surroundings. Speaking of this to the writer she said, "Oh, if I could only have gone on then and not turned back!" Then she added, "I know there is a life beyond, but I wish I had just a little more to go on." How many of us here, today, would echo that wish, "That I had just a little more to go on" but who shall say that this is the flight of a disordered imagination and not the veriest reality? Wesley said, "Our people die well" and the multitudes of the saints who have gone home yet lingered long enough here to tell us of visions like this are bearing testimony to that which surely awaits the faithful of the Lord when they have passed through the woods and have reached the brightness of the light beyond, "Even though I walk through the valley of the shadow of death, thy rod and thy staff they comfort me."

On Monday, June 24th, at 10:40 in the morning, the end came. She had trod the path again, this time to come not back. With us still are the husband, John Collins, beloved of all his brethren, two sisters and a brother residing in St. Louis, Mo., and a sister residing in Overland Park, Mo. To all these we extend our loving sympathy.

## Mrs. Florence Margaret Bauman

By MR. RALPH JOHNSON

Mrs. Bauman was born June 10, 1884 at Grinnell, Ia., the daughter of Rev. Albert E. Carhart and his wife Margaret.

She is survived by her husband and five children, all of whom live at home. The children are Melvin, Victor, Margaret, John and David. A daughter, Dorothy, died in infancy.

When she was about a year old the family moved to Mitchell, S. D., where the girl grew to womanhood. Her father, now a retired Methodist minister, was connected with the pioneer work of the Anti-Saloon League in the Dakotas and in his ministerial capacity occupied pulpits in several parts of South Dakota. He now lives at Santa Anna, Calif., where he celebrated his 83rd birthday Thursday, July 11, 1929, the day of his daughter's death here. Mrs. Bauman's mother died at Mitchell, S. D., 27 years ago.

Mrs. Bauman was a graduate of the Dakota Wesleyan University at Mitchell and from girlhood was a devoted member of the Methodist church. In 1908 she went to Santiago, Chile, South America, as a representative of the Board of Foreign Missions of the Methodist church. Two years later she was married in Concepcion, Chile, to Rev. Ezra Bauman who was also in Chile as a representative of the same board.

All of their children were born in Chile where Mr. Bauman represented the board in many parts of that country.

Mrs. Bauman's failing health made it necessary for the family to return to the United States in 1925. They came first to Monrovia, Calif., where for several months Mrs. Bauman was cared for at the Pottenger sanatorium. The family came to Fort Morgan in the fall of 1926, where Rev. Bauman represents the Board of Home Missions of the Methodist church among the Spanish-American residents.

She is survived by two brothers and two sisters. The brothers are Raymond Carhart of Los Angeles, for 20 years a missionary in Mexico, and Dr. Walter D. Carhart, of Santiago, Chile, in missionary work in that country for 23 years.

Sisters are Miss Charlotte Carhart of Santa Anna and Mrs. Birdella Mankey of St. Louis, Mo.

Mrs. Bauman was a devout Christian woman and during the long years of her illness she maintained a cheerfulness and high courage which provided inspiration to her family and to those who knew her.

Despite her illness she was a splendid mother and enjoyed the deep love and admiration of her children.

## Mrs. Hellen Dunn Sullivan

By WM. D. PHIFER

Hellen Dunn was born at Norway Center, in the state of Maine, on June 25, 1894. She finished her work on earth and entered heaven, June 26, 1929, being thirty-five years old. She was the daughter of a Methodist minister and naturally was quite at home in the parsonage. Her life was very beautiful, and she was always a Christian. She could not remember the time when she was not a Christian, having always walked in the ways of the Lord. She was exceptionally fine socially, and was the life and soul and center of social events. She was born with that rare talent of leadership and always exercised her talents with skill and the best of judgment. Her special talent was music. She was a very accomplished and finely

trained singer, and delighted in sacred song. Both young and old followed her leadership with gladness. Such a rare personality will be a notable leader in heaven. At the high school in her home town she graduated with signal honor, and her diploma hangs on the walls of her home. She married Rev. Mr. Sullivan and leaves a boy eight and boy six and a baby boy and her husband to remember her beautiful life. The whole community at Oak Creek, Colo., was shocked at losing her and a multitude turned out at her funeral, June 30, at the church. The funeral was conducted by Dr. William D. Phifer, who established the Methodist church at Oak Creek twenty-one years ago, where that whole region as far west as the Utah line was in his district.

She was compelled to undergo an operation and died under it. Her place will remain vacant. No one else can fill it. There will be a blank there until the day breaketh and the shadows flee away.

### George Carmichael

Brother George Carmichael, a member of the West Wisconsin Conference, and appointed this year to Keota, died in Chicago on May 23.

- (9) To amend.
- (10) To postpone indefinitely.

14. Only one amendment to an amendment shall be in order, but then it shall be in order to move a substitute for the main question and one amendment to the substitute, and if a substitute is accepted it shall replace the original proposition.

15. It shall be in order to move the previous question—that is, that the question be taken without further debate—on any measure pending, except in cases in which character is involved; and if sustained by a vote of two-thirds the question shall be taken; nevertheless, it shall be in order under this rule to move to refer or to recommit (on either of which the vote shall be taken without

debate): to divide or to lay on the table, after the previous question has been ordered. It shall not be in order to move the previous question or to move to lay on the table at the close of a speech in which the pending question has been discussed.

16. The motion to adjourn shall be taken without debate, and shall always be in order, except

- (1) When a member has the floor.
- (2) When a question is actually put, or a vote is being taken, or until decided.
- (3) When the question is pending on sustaining the demand for the previous question.
- (4) When the previous question has been called and sustained, and action under it is still pending; and
- (5) When a motion to adjourn has been negatived; and no business or debate has intervened.

17. When any motion or resolution shall have been acted upon by the Conference, it shall be in order for any member who voted with the prevailing side to move a reconsideration; but a motion to reconsider a non-debatable motion shall be decided without debate.

18. Every member who is within the bar at the time a question is put shall vote, unless the Conference, for special reasons, excuses him. No member shall be allowed to vote on any question who is not within the bar at the time when such question shall be put by the President, except by leave of the Conference, when such member has been necessarily absent.

19. It shall be in order for any member to call for the ayes and noes on any question before the Conference, and if the call be sustained by forty members present, the vote thereon shall be taken by ayes and noes.

20. These rules may be suspended at any time by a vote of two-thirds of the members present and voting.

# APPROPRIATIONS FOR CONFERENCE CLAIMANTS' SUPPORT FOR CONFERENCE YEAR 1928-29

The support of these Claimants for any quarter depends upon what the Church Treasurers remit the *preceding quarter*. Also it is the Conference order that all deficit in Conference Claimants' receipts from charges at a session of Conference shall in proportion reduce the following fourth quarter's check to Claimants.

The Minimum Disciplinary Annuity Rate for the Colorado Conference for 1928-31 was announced as \$6.00 per quarter for each annuity year of a retired minister. The churches should send in their apportionments quarterly and fully or pro rata to each settlement day, not later than the end of each quarter—December 10, March 10, June 10.

## IMPORTANT

Attention of Pastors and Church Treasurers is called to the fact that all checks for support of Conference Claimants are to be sent to the Secretary of the Board of Stewards, E. N. Edgerton, Room 312 Trinity Building, Denver, Colo.

Vouchers for checks received on apportionments will be mailed to the Pastors of the churches from which they come. Treasurers may have a duplicate voucher if they request it, otherwise the cancelled check will be their receipt.

It is to be borne in mind that the Claimants cannot be paid unless the charges pay in each quarter the amount of their quarterly apportionments. We give below a tabulation of the Claimants and their claims based on the \$22.00 rate, reminding the brethren that the legal rate is \$24.00 and that the hope is that the balance can be made good to the Claimant after Conference next year.

On the death of any Minister *not* on the retired list, the annuity claims of his dependents begin at once.

A claim is liable to lawful reduction or to extinction at the end of any quarter.

# PROCEEDINGS OF THE LAY ELECTORAL CONFERENCE OF THE COLORADO ANNUAL CONFERENCE

## FRIDAY MORNING, SEPTEMBER 6, 1929

The Lay Electoral Conference met in the Sixth Avenue Community Church, Denver, on Friday, September 6, at 10:00 A. M.

R. B. Spencer called the Association to order, after which Mrs. W. E. Dillon was appointed Secretary.

The following Committee on Resolutions was appointed: Frank McDonough, Denver; David Shaw Duncan, Denver; Hubert Glover, Pueblo; Murl Farnsworth, Alamosa; O. B. Robbins, Loveland.

The following Committee on Nominations was appointed: D. W. Auperle, Grand Junction; Archie White, Denver; Mrs. Edith Edgar, Fleming; F. H. Hammon, Durango; E. B. Woodford, Canon City.

Dr. Lynn Harold Hough was introduced and addressed the Conference after which the Association adjourned to the Christ Methodist Episcopal Church for a joint session with the members of the Colorado Annual Conference.

## FRIDAY AFTERNOON, SEPTEMBER 6, 1929

The Lay Electoral Conference reconvened in the Sixth Avenue Community Church at 2:00 P. M.

On motion, R. B. Spencer was elected Chairman, and Mrs. W. E. Dillon was elected Secretary.

The following Committee on Credentials was appointed: J. S. Fagen, Denver; J. N. Bishop, Pueblo; J. M. Fisher, Greeley; Ivan Asay, Alamosa.

Rev. C. O. Beckman appeared on behalf of the Wesley Foundation, and presented Rev. C. O. Thibodeau, who read a paper on the work of the Wesley Foundation.

On motion, the following trustees of the Wesley Foundation were elected: R. B. Spencer for the four-year term; Herbert Shattuck, Denver; E. B. Simmons, Colorado Springs; H. B. Swedlund, Sterling. The length of the terms of office of the last three elected are to be determined when the Board of Trustees meets.

Mr. Guy M. Hanner, Superintendent of the Beth El Hospital, was introduced and gave a report of the financial situation relative to the hospital.

The Committee on Credentials reported as follows: 95 credentials accredited; 76 members present.

The Committee on Nominations reported the following nominations for officers for the ensuing year:

President, R. B. Spencer; Vice-Presidents, G. H. Bradfield, Greeley; J. S. Fabling, Denver; Hubert Glover, Colorado Springs; F. H. Hammon, Grand Junction; Secretary and Treasurer, Mrs. Edith Edgar, Fleming. On motion, the report of the Committee on Nominations was accepted and the Secretary instructed to cast a unanimous ballot for the nominees. This was done, and they were declared elected.

The Committee on Resolutions presented the following report, which, on motion, was adopted:

"The Colorado Lay Electoral Conference in annual meeting in Denver desires to record its appreciation of the action of the General Conference of 1928 in submitting an amendment to the Constitution of the church providing for the admission of laymen into the annual conference. There being some defects in the legislation as proposed, we recommend the adoption by the Laymen's Association assembled this day of the revised amendment as proposed by the General Conference Laymen's Association.

"The Laity of Colorado Methodism take an unqualified attitude in support of all officials of our National and State governments in the strict enforcement of all laws, and particularly those laws enacted to give force and effect to the Eighteenth Amendment. We urge all citizens to set a personal example of loyal support of such laws, in order that respect for law and for officials charged with the enforcement thereof may be enhanced.

"We commend President Hoover for the sturdy course which he has pursued, and pray God's richest blessing upon him in the performance of the solemn duties devolved upon him under the Constitution.

"We urge our people at this time to continue their moral and financial support of all organizations whose objectives are to bring about the enforcement of existing laws, and also those causes, such as Christian Education, which may be recommended for favorable consideration to our people from time to time by the General and Annual Conferences of our Church.

"In view of the changing economic and social conditions, with all the problems incident thereto, we recommend that plans be worked out and a program prepared, in order that the laity of the church may be instructed in these problems with a view to the work of the pulpit."

The Conference then proceeded to vote on the proposed Amendments to the Constitution.

On the Amendment No. 1, empowering Central Conferences to elect Bishops, the vote was unanimous in favor of the Amendment.

On the Amendment No. 2, admitting Laymen to the Annual Conference, the vote was unanimous in favor of the Amendment.

At this time, a collection amounting to \$16.49 was taken and turned over to the Secretary of the Annual Conference for the purpose of helping to defray the expense of publishing the current Year Book of the Conference.

On motion, the Association adjourned sine die.

R. B. SPENCER, *President*,  
MRS. W. E. DILLON, *Secretary*.

*"Let Religious Books Say It to You—And to Your Neighbor"*

Loyalty to State and Church will prompt good citizens and good Christians to order religious books and church school supplies through the **PUBLICATION BOOK STORE**. Why?

First, dollars spent in Colorado help Colorado folk.

Second, a local institution pushing the sale of church publishing house supplies, furnishes an outlet for the publications of your church publishing house, and vastly increases their sale.
